

ANBI Policy Plan

1. Introduction – Vision - Mission

Losing a parent is difficult. Life changes for the entire family including the surviving children. The surviving partner to the deceased or other adult relatives are faced with the challenge raising the bereaved children and supporting their needs as they grow and develop.

The Foundation seeks to support bereaved children, especially on a few key topics related to their development. The Foundation's **mission** is to provide educational and mental health wellness support to children who lost a parent. We believe education is key to granting the children a chance to a successful future. We are also advocates to mental health awareness and support for the children.

Our **vision** as the Foundation is “a world where a child does not have to bury both their parent and their future.” We can realize this by the financial support and access to psychological support that we provide.

2. Statutory Framework

The Foundation has three directors, referred to as the Management Board, as shown below.

Chair Person:	: Ms. Pauline Rachuene
Secretary	: Ms. Kayla Oosthuizen
Treasurer	: Mr. Hans Schraever

3. Activities of The Journey Continues

The Foundation supports bereaved children (in the school going age) and indirectly their families in South Africa. The Foundation does this by providing educational support to nominated bereaved children who are identified by their schools as a child who lost a parent or both and deemed as hardworking. The support is by means of paying the child's school fees, providing school uniform and stationery vouchers. In addition to that, the Foundation ensures the children receive psychological support as and when needed.

4. Finance of The Journey Continues

Funds are raised by asking for donations from individuals and organizations. The Management Board may also choose to raise funds by organizing fund raising events. Also through the website there is a possibility to make a donation.

All costs will be paid directly to the service provider; no money will be paid to the parent or guardians of the children. For example, the schools receive the school fees money directly from the Foundation etc.

All payments will be subject to the “four eyes principle”.

During the management meetings, the team will review all income and expenditures.

The financial year of the Foundation shall be the same as the calendar year. After which, an annual financial statement will be prepared and presented by the Treasurer. After review by the Management Board, the Financial Statement will be confirmed in the first Management meeting of the New Year. Given the scale of the Foundation and to save unnecessary expenses, no

external audit is foreseen at this stage, unless a subsidizing party requires the Foundation to do so.

5. Governance of The Journey Continues

Directors may serve for indefinite period. The Board is open to further expansion with members who bring an interesting, complementary network.

Directors are not remunerated. All travel and expenses are covered by themselves.

If a member of the Management Board (a Director) does not attend three Board Meetings in a row, without having applied for and obtaining leave of absence from the Management Board, then the Management Board will find a new member to take that person's place.

The Management Board will meet at least once every six months. More than half of members need to be at the meeting to make decisions that are allowed to be carried forward. This constitutes a quorum.

Minutes of the business transacted at the meetings shall be taken by the secretary or by one of the other persons present to be invited and designated for that purpose by the chairman of the meeting.

The minutes shall be confirmed at the next meeting and shall in witness thereof be signed by the chairman and the secretary of that meeting.

The minutes can also be signed electronically provided that the identity of the signatories can be sufficiently established.

Foundation The Journey Continues has been incorporated on 27th September 2024, the articles of which are attached hereto (ANNEX I).

6. Other details

Statutory name

Stichting The Journey Continues
Foundation
